

PRIORITY GUIDELINE  
TOPIC AREAS UNDER  
REVIEW

## Heart disease

---

Congestive heart failure

---

---

Chest pain

---

---

Cardiac diagnostic testing  
and management

---

---

Cholesterol/lipids

---

---

Hypertension

---

## Respiratory disease

---

Asthma

---

---

Chronic obstructive  
pulmonary disease

---

---

Otitis media

---

---

Pharyngitis

---

---

Sinusitis

---

## Preventive care

---

Immunization

---

---

Smoking cessation

---

---

Prostate cancer

---

---

Breast cancer

---

---

Cervical cancer

---

---

Colorectal cancer

---

## Musculoskeletal

---

Low back pain

---

---

Osteoporosis

---

## Gastrointestinal

---

Gastroesophageal  
reflux disease

---

## Other

---

Diabetes

---

---

Chronic nonmalignant pain

---

---

Depression

---

---

Use of ultrasound in  
routine prenatal care

---

---

Electroencephalogram  
testing

---
